

Landmarks OF NANTUCKET!

Michael McInerney

My name is Michael McInerney. I am in seventh grade at Cyrus Peirce School. Things I enjoy are playing sports and going fishing. I am also the CPS Geography Bee Champion.

TOWN PIER PIGEON

This is a picture of a pigeon perched upon a pylon. This is symbolic of the quiet nature of Nantucket's winter.

THE LONG WALK

This is the look up to Brant Point Lighthouse. A lighthouse has been on Brant Point since 1746.

A LOOK BACK

This is a look back from a partial walk out on the Jetties. I like this because it shows great detail and real colors.

OVER YONDER IN POCOMO

This is a photo of the top of a line of Nantucket Bay Scallops.
