

Landmarks OF NANTUCKET!

Nicci Aguiar

My name is Nicci Aguiar and my favorite places on Nantucket are Altar Rock, Dead Horse Valley, and the pier at the Hy-Line. I am very funny and artistic. I live with my mom, dad, sister Sam, my Aunt Beth, and all my animals. I love taking pictures, and I get a lot of help from my aunt who is a photo teacher.

THE PIER

This is a picture of my favorite spot at the pier. I like it because the sun is hitting it at a nice angle and runs all the way down.

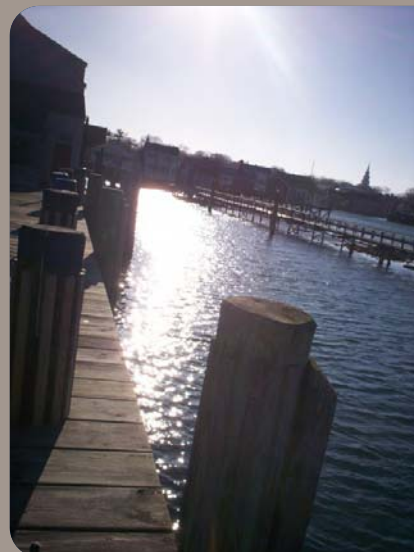

DOGS AT ALTAR ROCK

This is a picture of my dogs at Altar Rock. I always walk them there.

DEAD HORSE VALLEY

This is a picture of Dead Horse Valley. I go sledding there whenever it snows.

SUNSET AT THE PIER

This is a picture of the sunset at the pier. I like the way the sun is hitting the water with the town in the background.
