

Landmarks OF NANTUCKET!

Ocean Kane

My name is Ocean James Kane. I like to play soccer, snowboard, and surf. What I have learned in the Landmarks Program is how to be a better photographer.

LILY POND

The reason I chose the Lily Pond is because it is a small peaceful place to relax.

FORT AT THE STATE FOREST

The forts at the State Forest are fun to build and beautiful to look at.

SANKATY LIGHTHOUSE

The reason I chose the Sankaty Lighthouse is because it is an important landmark. It is also pretty to look at.
