

Landmarks OF NANTUCKET!

Alexisse Clinger

My name is Alexis Clinger. I am thirteen years old. I live with my parents and two sisters. I enjoy playing sports, going to the beach, and hanging out with my family and friends.

BRANT POINT LIGHTHOUSE

Brant Point Lighthouse is a useful resource for the island. It is the lighthouse that illuminates the entrance to the Nantucket Harbor.

BRANT POINT LIGHTHOUSE

Many people who travel by ferry throw a penny overboard while passing the Brant Point Lighthouse and make a wish to return to the island again.

TOM NEVERS POND

Tom Nevers is a great place to catch a good-size yellow perch or pickerel. You may also find a few very large snapping turtles nipping at your line! It is a quiet pond surrounded by trees and shrubs. It is tucked away and very peaceful.

STEPS BEACH

The thirty-nine steps that lead to the soft sands of Steps Beach are well worth the walk! This beach is a quiet place that has calm waters and not as many tourists visiting as the nearby beaches. This is a nice place to bike to, or to go and watch the fireworks.
