

Landmarks OF NANTUCKET!

Thomas Riche

My name is Thomas Riche. I am fourteen years old. I like diving. I also like swimming and skating.

BIG ROCK

This rock is located in the rock quarry. The quarry is a beautiful place. I used to play there when I was little.

THE BOGS

These are obviously the cranberry bogs. These bogs have been on Nantucket for many years. Before ditches were dug in it, it was the largest bog (for cranberries) in the world.

ROCKS ROCK!!!

This photo represents the inner harbor's shoreline. The rocks rock!!!

THE JETTIES

The Jetties are valuable to Nantucket because these rocks protect the harbor while also being a home to sea life.
