

Landmarks OF NANTUCKET!

Ben Daniels

My name is Ben Daniels. I go to the Nantucket Cyrus Peirce Middle School. I like to play soccer and hockey. From this project I learned a lot more about Nantucket and photography.

SOUTH BEACH ANGLE

The South Beach in town is a popular little beach to look at. The biggest problem is that it is on a really bad corner.

SANKATY LIGHTHOUSE VIEW

The Sankaty Lighthouse is very important to Nantucket because it is one of the three lighthouses on island. In front of the photo are the Sankaty Golf course hills.

STRAIGHT WHARF CENTER

The Straight Wharf is the best wharf of them all to me because it has all the buildings in the background and it has the biggest boats all year round.

BARTLETT FARM FIELD

Bartlett's Farm is one of the oldest and largest farms on Nantucket. In the picture the field lines are going upward or downward.
